SIR,

With reference to Government Proceedings No: 680 / R. 745-92 dated 16th July 1892, I have the honor to state that the only firm in Madras that gives a quotation for 5 per cent Mysore Railway Debentures is Messrs Berry & Co which quotes them at 5 per cent premium for more than a year. Considering that the rate at which Government of India 4 per cent Securities are at present quoted viz 106½ to 106¾ with a tendency to rise higher, I don't think that the rate viz 8 per cent premium asked for the Debentures belonging to C Papanna which were held as his portion of the late Arrack Contract Security is excessive and may be taken over at that rate in part adjustment of the arrears due by him to Government.

Sir,

In acknowledging the receipt of
Serial No (19) & (24) your docket No: 7137/R.F. 45-92, dated 25/28 instant,
I have the honor to annex overleaf the
details of the account of Messrs C. Papanna
and Co; late arrack Contractors, as they stand
at present. The balance of Rupees 28,822-10-0
excluding interest, may be recovered by crediting
a certain proportion, say half of the remune-
-ration payable to Mr. C. Papanna from
November 1892, towards the liquidation of the
arrears, unless Mr. C. Papanna prefers to
pay up the whole amount at once. On
this point I have made a reference to
him, the result of which will be com-
-municated in due course. If Mr. C.
Papanna fail to satisfy the demand
by the 15th December 1892, the Comptroller
may be authorized to adopt the course
suggested above, on the receipt of
each

each months bill for audit, commencing with the bill for November 1892. The remuneration payable to Mr. C. Papanaik, on an average amounts to Rupees 4,000 per mensem. At the rate proposed, one half of the total amount of arrears excluding interest, viz Rupees 14,261-5-0, can be recovered by the end of June 1893, it being under contemplation to extend Mr. C. Papanaik's contract to the end of the current official year, i.e 30 June 1893. He has deposited Rupees 6,000 in the Huzur Treasury as security, and an English still with Engine and other sundry articles valued at about Rs 3,500, belonging to Messrs. C. Papanaik and Co; are in charge of Government officials at the Central Distillery. These items may be eventually utilized towards the recovery of the balance. I recommend the remission of the interest under all the circumstances of the case, with the proviso that Messrs. C. Papanaik and Co; pay up all arrears, excluding interest, by 30 June 1893.

Sir,

I have the honor to report that, in accordance with condition VII of the late arrack contract, an extract whereof is given in the margin for ready reference, Messrs N. C. Pappanna & Co. were called upon to pay compensation for "no stock" at wholesale Depôts in the month of March 1892, as per "no stock" statement herewith submitted. They explain that they could not maintain the stock at

> The Contractor shall keep such wholesale shops properly supplied with stock. "short stock" and "no stock" at such wholesale shops will entail double the value of the deficient quantity being levied as a penalty, out of which the loss if any sustained by the retail vendors will be paid to them."

as distilling operations could not be carried on in consequence of the failure of water supply in the Distillery tanks, and the water supply of the Pathalli Distillery having been cut off by the P. W. D. A copy of the Head Supervisor's report No 469, dated 31st December 1892, explaining the circumstances which prevented distillation in March 1892, is herewith submitted. From

The Excise Commissioner

To

The Chief Secretary
to the Dewan of Mysore

Sir,

In reply to your docket-No: 17395/2133 dated 21/22nd instant, I have the honor to forward herewith, a memorandum showing how the arrears excluding interest due by Messrs: L. Papannah & Co:, late arrack Contractors, have been fully adjusted and settled

2. I beg to request that the item of interest, viz Rs 26,764-14-4, referred to in the Comptroller's statement sent to the Chief Secretary with his No: 1426, dated 8th June 1892, may be remitted as recommended in this office No: 2903/154 dated 29th November 1892

3. In submitting herewith, the bills on account of remuneration payable to

to Mr. C. Papannah for transporting liquor from the Government Central distillery to the Bonded Depots, in march 1893, I solicit that the Comptroller may be kindly instructed to make the balance of Rs 4860-3-4 payable to Mr. C. Papannah, after deducting from these bills Rs 570-13-10 on account of the balance of arrears due by messrs. C. Papannah & Co., late arrack Contractors, as per accompanying memorandum. Mr. C. Papannah has repeatedly complained to me that he is put to great inconvenience in consequence of the remuneration due to him since October 1892, having been withheld and credited towards the liquidation of the arrears of the late Arrack Contract. The remaining claims of Government against messrs. C. Papannah & Co., late arrack Contractors are those of interest and compensation for "no stock" in march 1892. I have recommended that the Government may be pleased to forgo both these items. Under such circumstances, there seems to be no objection to pay Mr. C. Papannah the aforesaid

aforesaid sum of Rs 4,860–3–4 for
march 1893, and also the amounts
of his future bills.

4. A sum of Rs 6000 belonging to
Mr: L. Papannah, is held in the Hazur
Treasury as Security for the fulfilment
of the terms of his present liquor
transporting contract which will close
on 30th June 1893.

Sir,

In acknowledging the receipt of your docket No. 20,274 dated 28th May 1893, I have the honor to forward, herewith, duly signed by me, two bills on account of remuneration due to Mr. Papannah for having transported Country Spirits from the Government Central Distillery to the Bonded depôt in the City of Bangalore and to those in the Mofussil, for Rs 239-9-0 and Rs 4,271-3-10, respectively, for the month of March 1893.

2. In the Bill for the Mofussil depôts, submitted with this office No. 5644/354, dated

dated 25th April 1893, a mistake
was made inadvertently in including
instead of excluding the quantity of
liquor transported to the Bonded
depôt at the City of Bangalore,
for which a separate Bill is always
prepared. This mistake being subsequently
discovered, revised bills were forthwith
forwarded to your office with this
Office Rc. 5888, dated 12th May 1893,
to be Substituted for those sent before.

Sir,

In continuation of this office letter No. 6235/398, dated 2/5 June 1893, I have the honor to forward, herewith, copy of docket No. 6413, dated 10th/13 June 1893, from the Comptroller, stating that the balance outstanding against Messrs C. Papanna & Co.; late arrack Contractors, is Rs 893-12-7 up to date, excluding interest. The difference between my figures and the Comptroller's figures is Rs 322-14-9 which sum does not appear to have been remitted as yet to the State Huzur Treasury by the Collector, Civil and Military Station, as per marginally noted Correspondence, a copy whereof is herewith submitted for information. But the amount is available, as stated by

1. The Collectors' No. 46, dated 10th April 1893.
2. This office No. 5394/851, dated 11th April 1893 to the Collector.

by the Collector, towards the liquidation of the arrears of the late arrack Contract. Thus it will be seen that the balance struck in my office against Messrs C. Papannah & Co on account of their late arrack contract, tallies with what has been reported by the Comptroller; and that it will have been fully adjusted when Rs 570-13-10 has been deducted, as proposed by me from the amounts of Mr. C. Papannah's remuneration bills for march 1893, on account of his Contract for Carriage of Country Spirits to Bonded depôts, and when Rs 322-14-9 has been remitted by the Collector to the State Huzur Treasury

2 Under such Circumstances, I beg that formal sanction may be kindly Communicated to the Comptroller to the transfer of the Mysore Debentures amounting to Rs 70,000 from the Security deposit of Messrs C. Papannah & Co: to that of Messrs Parry & Co:, arrack manufacturers to the Mysore State, and also to write off the amount of interest shown against Messrs C. Papannah & Co:.

But he has withheld payment of the amount pending the settlement of the revised rate of duty for the past year as promised by the Dewan, on account of the increase in the price of ganja at the place of production in the Madras Presidency, which was due to drought. Sir,

1 With reference to Government Proceedings No. (58) 13414/R745-92 dated 10/12th instant, I have the honor to report that the accounts of Mr. C. Pappamah are settled as per particulars below:—

(a) 1. Ganja Account } The total amount of duty payable by Mr. C. Pappamah on the wholesale vend of Ganja and Majum for 15 months from 1st April 1892 to 30th June 1893, is Rs 17,237-4-1 as per particulars below:—

(4) Compensation for not Supplying liquor to farmers for certain days

I beg to Submit herewith a statement Showing the number of days on which the Vend farmers and Separate Shopkeepers could not obtain Supplies

Supplies of liquor from Bonded depôts for want of stock in them. Under
Portuguese 122
Condition (10) of the Contract Bond, Mr. C. Pappamah is bound to pay compensation both to Government and the Farmers and Separate Shopkeepers. In the month of March 1892, Messrs C. Pappamah and Co., late arrack Contractors could not maintain the requisite stock at the Depôts owing to the failure of water in the Distillery tanks, and it took some days for the consignments despatched from the Distillery in April 1892, to reach the Depôts. There was also some delay on the part of Mr. C Pappamah in supplying carts and casks, and on the part of his Agents at Depôts in sending indents to the Distillery at proper times. Hence the failure of stock in Depôts. I have, however, dropped the claim of Government to compensation, as per para 3 of the Government Proceedings under reply. But the claim of the Farmers and Separate Shopkeepers has to be satisfied. I have pointed out to Mr. C Pappamah, that Rs 1486-13-0 are rightly payable by him as

compensation

Compensation to the Farmers and Separate Shopkeepers as per particulars in the accompanying Statement. Deducting from this amount the excess payment of Rs 170-14-0 on account of Ganja Khists, for which a Refund Bill has been sent to the Comptroller, the balance payable by him is Rs 1315-15-0. I have requested the Comptroller to deduct this amount from his remuneration for May and June 1893, and to pay him or his agent Mr Bajjamah the balance of Rs 8,082-11-5.

3. The compensation of Rs 1486-13-0 (including Rs 170-14-0 as per above Refund Bill) will be sent to the Deputy Commissioners for disbursement to the Farmers and Separate Shopkeepers concerned in their respective Districts.
